THE ATMOSPHERE OF THE 77TH INDONESIAN INDEPENDENCE DAY COMPETITION AT METRO SCHOOL, MAKASSAR.

Makassar - The 77th Republic of Indonesia Independence Day competition was held from Monday, August 15 to Wednesday, August 17, 2022, by all students and teachers of MetroSchool, Maradekaya, Makassar, South Sulawesi.

Numerous competitions can be held in celebration this Independence Day. A pencil-in-bottle, word guessing (Eat Bulaga), fashion show, decoration mask, ballon race, sack race, and water race, are among the events hosted by the Metro School primary team.

Since the morning of August 15, 2022, students' faces have been adorned with cheerful smiles.

The competition lasted two days. The preliminary round is on Monday, August 15, the final round is on Tuesday, August 16, and the announcement is made on Wednesday, August 17, 2022, following the independence ceremony.

Monday, August 15, 2022, is the first day of the competition and a preliminary round. Upper-Grade students (456) competed in the sack and water races, while lower-grade students (123) competed in the balloons race and pencil-in-bottle. For fashion shows, guessing words, and decorating masks, attended by all students, both upper and lower grades without exception.

Appart from sack races and ballon races, there are other exciting competitions such as water rares, word guessing (Eat Bulaga) and pencil-in-bottle.

The competiton heated up when each team competed in a water race. Seeing the various teams eagerly attempting to place a small bucket into a container full of

water without touching it. Other students seemed enthusiastic to encourage their classmates who participated.

The Word Guessing (Eat Bulaga) team is no less exciting. The race heats up when the words that are mentioned by the contestants are not true. This made the audience laugh and get excited.

FASHION SHOW LOWER & UPPER GRADE

Tuesday, August 16, 2022, the second day of the competition. All of the students are still smiling as they wait for the final round to begin. Students look forward to the fashion show, where they will see other friends who contribute to

displaying the clothes they have made as unique as possible. They walk across the stage in the Hall, gracefully, beautifully, handsomely, and attractively dressed in recycled materials such as plastic, newsprint, and other recycled materials.

FASHION SHOW

LOWER & UPPER GRADE

Wednesday, August 17, 2022, following a ceremony

commemorating Indonesia's Independence, all the students gathered in the hall to hear the announcement of the winners of the competition held two days earlier.

All these activities aim to instill a sense of patriotism in children, as well as to foster a competitive and healthy spirit in them. By holding these activities, it is hoped these activities, it is

that Metro School residents, particularly primary year students, will be enthusiastic about commemorating the Republic of Indonesia's Independence Day
